January Dates

1 - New Years Day

11 - Centre opens

26 - Australia Day

As the summer warms up our children are loving their water play, water play gives many opportunities to develop fine and gross motor skills across age ranges. Children will increase their fine motor skills and hand-eye coordination through actions like pouring, squirting, scrubbing, stirring and squeezing.

EARLY CHILDHOOD PEDAGOGY

The term pedagogy refers to the holistic nature of early childhood educators' professional practice (especially those aspects that involve building and nurturing relationships), curriculum decision-making, teaching and learning. When educators establish respectful and caring relationships with children and families, they are able to work together to construct curriculum and learning experiences relevant to children in their local context. These experiences gradually expand children's knowledge and understanding of the world. Educators' professional judgements are central to their active role in facilitating children's learning.

National Quality Standards -Staffing Arrangements

The aim of Quality Area 4 under the National Quality Standard is to ensure the provision of qualified and experienced educators, coordinators and nominated supervisors who are able to develop warm, respectful relationships with children, create safe and predictable environments and encourage children's active engagement in the learning program.

Kindergarten - Will commence Tuesday the 2 February 2021.

Vacation Care Program

Our Vacation Care Program will recommence on Monday 11 of January 2021 and continue for the last 2 weeks of holidays until 22 January 2021.

Please check our website for booking forms and our program over the holidays. We look forward to seeing you.
