

Bay Island Early Learning and Care in 2021 are looking for parents that would like to be involved in a Parent Activity Group (PAG.) A Parent Activity Group (PAG) is an exciting new way for parents to contribute to their child’s early learning.

Unlike a traditional committee of management, a PAG doesn’t have any service management responsibility. Bay Island Early Learning and Care takes care of this. A PAG builds meaningful connections between parents, educators and the local community. Each community shapes their group to suit their context, interests, available time, specialised expertise, cultural preferences, and needs. PAGs are based on four key principles/ purposes:

(NQS area 6)

Name: _____

Would you be interested in a PAG? YES NO

If yes, would you be available for meeting once a month? YES NO

What day/s would suit you: _____ Time: _____

Would you like the option for attendance over an electronic platform YES NO

Would you be excited given the opportunity to contribute to service decisions? (NQS 6.1.2) YES NO

What skills / experience do you have? _____

as we like to know what strengths/ skills you have.

Being part of a PAG is up to you. If you’re time limited, please don’t let this stop you. Most PAGs meet at least once a month. We encourage you to attend the first meeting or two to find out more. It’s OK if you can’t come to every meeting any contributions you make is valuable.
