30th - World Maritime Day

Early Childhood Educators' Day

— Wed 1st Sept 2021 —

The educators and staff at Bay Island Early Learning provide high quality Early Education and Care to Southern Moreton Bay Island children. We would like to recognise the important contribution they make to the health, wellbeing and development of our children and support to their families in a celebration on the 1st of September on Early Childhood Educator's Day.

Vacation Care Program

Our school holiday programs are jam-packed with activities designed to stimulate inquisitive minds, keep children physically active, and discover and explore interests. Vacation programs are an opportunity for your child to meet new friends and socialise with others of different ages and diverse backgrounds. September school holidays start the 20th so book in early to avoid disappointment.

We look forward to seeing you.

National Quality Standards - Collaborative partnerships with families and communities

The focus of Quality Area 6 is the development and maintenance of collaborative relationships between Bay Island Early Learning and Care and our families in recognition of the positive impact this enables in order to achieve the best developmental and wellbeing outcome for our island children. Active and open communication, consultation and collaboration are an essential base for the formation of authentic community partnerships
